

BLUES BEST

WYCOMBE Wanderers have topped the poll for the best programme in the four leagues sponsored by Rothmans. They polled 86 per cent of the votes with Hellenic Leaguers Forest Green second (80 per cent) and Barnstaple and Burnham joint third with 71 per cent.

In judging the programmes, each club was given 20 points for quality, size, cover design, content and overall appeal. Wanderers took the Isthmian League section from Slough and Leatherhead. Special mention was made of the front cover which shows a 'Free Press' colour photograph of last year's FA Cup tie with Middlesbrough and the old players feature by Alan Hutchinson.

Although priced at 10p, it was the Blues programme which came out on top of the survey conducted by Pickup Programmes, Pudsey in Yorkshire. Wanderers receive £10 for winning the Isthmian League section and a further £15 for becoming overall winners.
